

Alert Notice: Sale of revision tools and study support resources of the Licensing Examination for Securities and Futures Intermediaries (“LE”) in other websites

The Hong Kong Securities and Investment Institute (the “HKSI Institute”) recently became aware of some websites which offer sale of revision tools, including past examination questions and answers, and study support resources of the Licensing Examination for Securities and Futures Intermediaries (“LE”). These websites claimed that those examination questions are originated and copied from HKSI Institute’s official examinations by candidates who have attempted the relevant LE examinations.
