

To ensure a smooth experience while launching the HKSI Institute eCourse, we would like to recommend the following setup:

- allows flash in your browser.
- allows pop-ups and redirects in your browser.
- disable any ad-block in your browser.
- source a stable internet connection while accessing the eCourse.
- ensure you have the latest versions of Google Chrome. Here is a link to check if you have the [latest Google Chrome version](#).
- clear browsing data in Chrome (screen dump below refers).
