Job title:	Product Development Manager
Job location:	Central, Hong Kong
Annual base salary:	Depends on individual's experience
Other benefits:	We offer competitive and attractive benefits package including medical, retirement benefits, housing loan, insurance, annual leave, training & development and excellent career prospects to our employees
Company description:	HSBC Investments is the core global investment platform of HSBC which provides investment solutions for personal and corporate investors. It meets client needs by leveraging its in-house investment capabilities in active, quantitative and structured investments or those of the best-of-breed managers in the market through its multi-manager capability. HSBC Investments and its affiliated investment companies had funds under distribution of US\$386 billion as at 31 December 2007.
Job description and responsibilities:	The successful incumbent will support the Head of Product Development in coordinating and managing all product development and management activities for retail, institutional and private clients. You will be acting as the project manager for local/regional products as well as off-shore products driven by Head Office.
Job requirements:	You should have a degree in Finance or equivalent, with 6 years' relevant industry experience, including at least two years in product development in a fund management company. You should be an articulate team player with innovative and resilient mindset. Solid knowledge of unit trusts funds and various investment products are essential. You should also have strong interpersonal and communication skills with excellent command of written and spoken English. Applicants with HKSI Qualifications/ Membership would be an advantage.
Remarks:	HSBC is an equal opportunity employer. We value the diversity of individuals, ideas, perspectives, insights and values, and what they bring to the workplace. Applications are welcome from all qualified candidates. Data held by the Company relating to employment applications will be kept confidential and used only for processing applications. Applicants who are not contacted within four weeks may consider their application unsuccessful. The Company will retain their applications for a maximum period of two years and may refer suitable applicants to other vacancies within the Group.
