

The Appointment of the First HKSI Honorary Fellow 香港證券專業學會頒授首個 榮譽會員資格

At the apex of the Institute's tiered membership structure is the Hon Fellow/ Fellow membership category. The HKSI Honorary Fellowship is intended for individuals having made significant contribution to the financial community. Mr Charles Lee, GBS, JP, the Independent Non-executive Chairman of the Hong Kong Exchanges and Clearing Limited, was formally inducted as the first HKSI Hon Fellow during the annual Autumn Dinner held on 20 October 2005.

In recognition of members' contribution to the Institute and industry, Ordinary members of the Institute may also apply for progression to the HKSI Fellow membership category. The first cohort of HKSI Fellows was inducted in 2003. For this year, Mr Chan Wing-luk was inducted as the 10th HKSI Fellow during the Autumn Dinner.

Ordinary members' application for progression is an annual exercise. The requirements and application form for nomination is available from the website www.hksi.org. For enquiries, please contact the Membership Hotline on 852 3120 6170.
