1. Introduction

A Task Force chaired by the Hong Kong Monetary Authority (HKMA) and comprises representatives from Private Wealth Management Association (PWMA), the Hong Kong Institute of Bankers (HKIB), Hong Kong Securities and Investment Institute (HKSI Institute) and Treasury Markets Association (TMA) developed the Enhanced Competency Framework (ECF) for private wealth management (PWM) practitioners to ensure individuals engaged in providing services to PWM customers have an enhanced level of competency in the technical and ethics and compliance areas.

Under the ECF, two competency-related modules, Module 1 on Technical, Industry and Product Knowledge and Module 2 on Ethics and Compliance, are developed to set the standard for PWM practitioners. The HKSI Institute has launched the examinations for Module 1.
