

ABOUT US

Established in 1997 with the support of the Securities and Futures Commission (SFC) and industry leaders in Hong Kong, we reinforce, raise and promote professional standards in the financial services industry through high quality professional training, recognised local and international examinations, and flagship events for our members and market practitioners.

Enriching Professional Development

Our diverse SFC's continuous professional training (CPT) courses, extensive eCourse library and bespoke learning solutions are designed to meet the needs of today's dynamic business environment and allow for flexible and convenient learning. We are committed to providing high quality training services that help you and your staff succeed.

Acclaimed Qualification Pathway

Our range of local and international qualification examinations, including specialised examinations on securities and futures, investment, private wealth, trust, and more, offer individuals with a clear pathway to enhance their competencies and strengthen their competitive edge.

Building Rewarding Relationships

Our networking and flagship events bring together leaders, regulators and youth to share ideas and build relationships which offer privileged networking opportunities for our vibrant and multisectoral community.

Empowering Future Leaders

Our talent grooming and development initiatives support the professional growth of new entrants and young practitioners, while also enabling participating organisations to attract top talent and enhance their reputation.
