

EDUCATION & DEVELOPMENT

Be Ahead of the Curve

We provide industry-focused learning solutions to support talent development for existing practitioners and new entrants in the financial services industry, sharpening personal and team competencies for career advancement.

Our team comprises experienced training professionals with expertise in instructional design and curriculum building.

CPT Programmes

Our comprehensive library of courses caters to individuals with different proficiency levels and is recognised by regulatory and professional bodies such as the SFC, IA, MPFA, and PWMA.

Qualification Programmes

Our qualification programmes specialise in private banking, trust, asset management, and other areas of the financial industry, providing learners with the skills and knowledge needed to excel in their chosen field.

Executive Series

Our advanced seminars for executives, including Responsible Officers, offer in-depth knowledge and practical skills that can be applied to specific areas of the financial industry.

Bespoke Learning

Our team offers training consultancy services to corporations to develop customised training programme to meet each client's unique needs.

Supported by Advanced Learning Platform (ALP)

Our all-in-one platform facilitates self-directed learning and simplifies learner's enrolment, attendance record retrieval, and examination result access.

In-Person Training
