

Important Notice on Third-party Revision Tools and Study Support Resources

To help candidates prepare for the examination, the Hong Kong Securities and Investment Institute (the “HKSI Institute”) provides official study materials and resources through its official website and platforms, including the Online Portal and Mobile App.

Candidates may also come across third-party revision tools or study aids in the market. The HKSI Institute is aware that some providers claim their materials contain actual examination questions or content taken from official examinations.

Candidates are strongly advised to exercise caution when considering such claims as they do not form part of the HKSI Institute’s official materials or examination content.
